

Order of Events

Opening Statements – Dr. Mark Morgan, Dept. Head

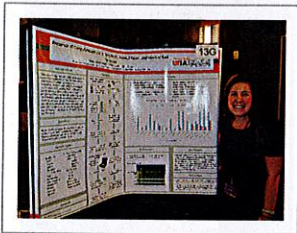

Students' success is our priority. We hope to see each student reach their full potential and find their chosen path. Our department is dedicated to helping students learn and develop into successful individuals.

Guest Speaker – Dr. Phil Perkins

We are honored to have Dr. Phil Perkins, co-owner of Knox Whiskey Works, as our guest speaker. He will present “10 Lessons on Leadership”

Student Awards

The Food Science Club and the Department will recognize students and their outstanding achievements both in the classroom and extracurricular activities.
