

## Self-check List of Courses for a PhD Degree in Food Science.

### Requirements: a minimum of 48 hrs beyond MS or 72 hrs beyond BS.

- At least 24 hrs beyond MS or 35 hr beyond BS must be taken for 500-level and above courses, including 2 hrs of **FDSC 601 Seminar** and 1 hr of **ANSC/PLSC 525 Research Ethics**.
  - At least 12 of the 24 hrs beyond MS or 30 of the 48 hrs beyond BS must be taken from courses with A-F grades.
  - These FDSC courses cannot be used for the PhD degree: 500, 502, 503, 504, and 603
  - At least 6 hrs of courses numbered above 600, including 2 hr of FDSC 601
  - At least 6 hrs of courses outside FDSC, including 1 hr of ANSC/PLSC 525
  - At least 6 hours of graduate level statistics courses
- At least 24 hrs of **FDSC 600 Doctoral Research/Dissertation**:
  - Research hours for MS degree do not count.
  - At least 3 hrs must be taken in the last semester.
  - Once registered, must be registered continuously in later semesters until graduation.

### Worksheet to self-check courses meeting the PhD degree requirements\*

Course Number and Title	Credit Hrs	Semester(s) Taken	Grade
<b><i>400-level courses approved for graduate credit</i></b>			
<b><i>500-level courses (excluding 500, 502, 503, and 504)</i></b>			
ANSC/PLSC 525 Research Ethics	1		
<b><i>600-level courses (minimum of 6 hr, excluding 603)</i></b>			
FDSC 601 Seminar	1		
FDSC 601 Seminar	1		

<b>Dissertation research (minimum of 24 hours; must have at least 3 hours in the last semester)</b>			
FDSC 600 Doctoral Research/Dissertation			
<b>Graduate courses to be transferred from another credited institution (up to 24 hrs, must have a grade of B and above, must be approved by the advisory committee and the Graduate School)</b>			
<b>Total credit hours for the degree</b>			
<b>Courses not to be used toward PhD degree</b>			

\*Use separate rows for repeated courses.
